### REPORTS

#### §917.176 Pears.

(a) *Report of daily packout*. When requested by the Pear Commodity Committee, each shipper who ships pears shall furnish to the manager of the Control Committee or when designated to the Federal-State Inspection Service a report of the number of packages by container type, by variety and by district of origin, which the shipper packed during the preceding day.

(b) *Recapitulation of shipments*. When requested by the Pear Commodity Committee, each shipper of pears shall furnish to the manager of the Control Committee a recapitulation of his shipments. The recapitulation shall show: (1) The name of the shipper, (2) the shipping point, (3) the district of origin, (4) the variety, and (5) the number of packages, by size, for each container type.

(c) *Report of pears held in storage*. Each shipper who has pears under refrigeration in a storage warehouse shall upon request, file with the manager of the Control Committee within the time specified in the request an accurate report containing the following information:

(1) The name and address of the shipper; and

(2) The total quantity, as of the date specified in the request, of pears in storage outside of the State of California and in storage in the State of California.

EFFECTIVE DATE NOTE: At 59 FR 10056, Mar. 3, 1994, §917.176 was suspended, effective April 4, 1994.

#### §917.178 Peaches.

(a) *Report of daily packout*. When requested by the Peach Commodity Committee, each shipper who ships peaches shall furnish to the manager of the Control Committee or when designated to the Federal-State Inspection Service a report of the number of packages by container type, by variety and by district or origin, which the shipper packed during the preceding day.

(b) *Recapitulation of shipments*. Each shipper of peaches shall furnish to the manager of the Control Committee not later than November 15 of each year a recapitulation of shipments of each variety shipped during the just-completed season. The recapitulation shall show: The name of the shipper, the shipping point, the district of origin, the variety, and the number of packages, by size, for each container type. Each shipper also shall furnish to the manager not later than November 15, a recapitulation of shipments by that shipper's growers showing: each grower's name, address, telephone number, facsimile number (if applicable), and e-mail address (if applicable), and the total number of packages shipped by container or container equivalents for each grower.

(c) *Destination report*. Each shipper who ships peaches shall furnish to the manager of the Control Committee a report of the number of packages of peaches shipped to each destination, and whether the peaches shipped were yellow-fleshed or white-fleshed, and whether the peaches were "CA Utility" quality: *Provided*, That handlers who shipped fewer than 50,000 containers or container equivalents of any combination of peaches, nectarines, and plums during the previous season are exempted from these reporting requirements: *Provided further*, That handlers who begin operation during or after the 2001 season shall be exempted from these reporting requirements during their first season of operation. The destination is defined as peach shipments to any domestic or international market. Destination information for domestic market shipments shall include the city and state, and zip code, if known. Destination information for international market shipments shall include the country to which shipped.

## § 917.179

This report shall be submitted by the fifteenth day of each month following the month in which peach shipments were made.

## Subpart—Container and Pack Regulation

### § 917.442 California Peach Container and Pack Regulation.

(a) During the period beginning April 1 and ending November 23, no handler shall ship any package or container of any variety of peaches except in accordance with the following terms and conditions:

(1) Such peaches, when packed in any closed package or container, except master containers of consumer packages, individual consumer packages, and five down Euro containers, shall conform to the requirements of standard pack: *Provided*, That peaches in any such volume-filled container need only be filled to within one-inch of the top of the container.

(2) Each package or container of peaches shall bear, on one outside end in plain sight and in plain letters, the word "peaches" and, except for consumer packages in master containers and consumer packages mailed directly to consumers, the name of the variety, if known, or, when the variety is not known, the words "unknown variety." A marketing name, trademark, or brand name may be associated with the variety name, but cannot be substituted for the variety name.

(3) Each package or container of peaches, except for consumer packages in master containers and consumer packages mailed directly to consumers, shall bear on one outside end clearly and legibly in plain sight and in plain letters the words "U.S. Mature" or "US MAT" if such peaches are mature as defined in the United States Standards for Grades of Peaches (7 CFR 51.1210 through 51.1223); or may instead bear on one outside end clearly and legibly in plain sight and in plain letters the words "California Well Matured" or "CA WELL MAT" if such peaches are well matured as defined in § 917.459.

(4) Each package or container of peaches shall bear, on one outside end in plain sight and in plain letters, the name and address of the shipper.

(5) Each package or container of peaches, except consumer packages mailed directly to consumers, shall bear on one outside end in plain sight and in plain letters, the following
